TELEGRAPHIC The British Parliament. London, 4th.—In the House of Com- mons, today, Premier Gladstone said the news of the Russian defeat by the Chinese was not unexpected, and he believed either by the Chinese or Russian representatives. In the event of war breaking out, he said, government will call themselves of Russia, and enter into communication respecting British interests.

Mr. Gladstone, asked whether govern-
ment, having declined to introduce a
bill to remove doubts as to the legality
of the use of force by the British
government, would call themselves of
Russia, and enter into communication
respecting British interests.

Mr. Gladstone said his constituents know
that the return of a member is sub-
ject to law, therefore government is ut-
terly unable to interfere.
